A Changed View of a Changed Man.

I am completely discouraged, after trying so called specialists and different advertised remedies, I feel that I am getting worse instead of better, and have about given up hope of ever being cured of my kidney trouble.

I have changed my mind, for, after reading of the positive guarantee of Foley's Kidney Cure, as a forlorn hope I tried a bottle, and the result was so favorable that I continued its use until I had taken three bottles which effected a thorough cure, and I am a changed man.
